OFFICE OF LEGISLATIVE COUNSEL

Monday - 18 June 1962

25X1 [REDACTED]

25X1 2. [REDACTED] Met briefly with Miss Gunther, in the

25X1 office of Representative Samuel S. Stratton, and advised her that Miss

[REDACTED] had been accepted in the Agency JOT program and will

be transferring to that program shortly after 1 January 1963. Miss Gunther

was very interested in whether [REDACTED] had been advised, thanked us

for following up and bringing this to the Representative's attention. 25X1

25X1 3. [REDACTED] Advised by Mr. Nittle, House

Committee on Un-American Activities staff, that during the week a free-

lance writer, Sherwood Harris, 1214 Stafford Road, Alexandria, Va.

(phone 50uth 6-7565) had contacted the Committee and was interested

in interviewing DS-949. Mr. Nittle had indicated he did not have

DS-949's present address but that he would be back in touch with Mr.

Harris. Although DS-949's current address at the University of Kansas

has been furnished to Nittle, it was indicated that it will not be released

by the Committee at this time.

A meeting was scheduled with Mr. Nittle for Tuesday, 2:00 P.M.,

for final review of the transcript of 24 May 1962.

25X1 4. [REDACTED] Talked with Bill Darden who advised

the Chairman planned to leave for Georgia on Thursday and, consequently,

would not be able to have any meeting of the Subcommittee this week. We

attempted to discuss other possible dates next week. It was finally left

that I would discuss this with him further on Monday, the 25th. ✓

In addition, Darden stated he had discussed the possible appearance

of the DCI before Senate Preparedness Investigating Subcommittee. It

was the Chairman's view that in light of past appearances of the DCI and

the precedent thus established it would probably be difficult for Mr. McCone

to refuse. In any event, the Chairman thought the Director should deal

only with the actual results, i.e., estimates and in some of the methods.
